

# Year 1: Autumn Term 1

## Live and Let Live plus Plants and Flowers

This half term in year 1 we are learning about Living things. This will include Plants and Flowers.

### Literacy

In Literacy this half term we will be reading *The Flower* by John Light, poems about growth and information books about plants and growth. We will be discussing stories and texts in more detail, practising writing sentences with the correct punctuation.

### Numeracy

In Maths we will be learning about place value in numbers up to 100 and beyond. We will also begin learning our number bonds and 10 and 20.

### Science

During our Science lessons we will:

- Know about the basic conditions needed for living things to survive.
- Know about the differences between living things and things that have never been alive.
- Know that living things grow and reproduce.
- Know that the features of the school environment affect the types of living things found there.

### Computing

This term in computing we will begin to learn about coding and creating some simple forms of codes. We will use Bee bots to create a simple programme. Throughout the term we will understand how to keep ourselves safe online.

### Humanities

In Geography we will learn the names of our home countries and their capital cities. In History we will be learning about events that have happened in our lifetime and key events such as Bonfire night.

### Creative Arts

Through Art we will be learning about paintings of flowers and insects. We will learn how to make paintings and models of flowers and insects. We will create a garden in the classroom to put in and around our school. In addition our artist focus will be Georges Seurat

Our value this half term is:  
Leadership
