

Year 5: Autumn Term

Time Tunnel

This term in year 5 we are studying, World War 1 & 2. The teaching of this topic will be embedded in core and non-core lessons through our IPC unit: Time Tunnel.

Literacy

In Literacy this term we will be reading text; *Private Peaceful* by Michael Morpurgo alongside *Erika's Story* and *Rose Blanche*. We are confident that the children will love reading and learning about both war through these texts.

Numeracy

This term in maths we will focus on place value. This will include working on addition and subtraction problems as well as multiplication and division.

Computing

This term in computing we are focusing on coding and developing skills to become cryptographers. We will learn about communicating information securely through an introduction to cryptography. We are also working hard to work ensure we are safe online.

Humanities

Focus this term will be all things World War and how it had an impact on the world.

Science

In science we will be looking at Electricity and Properties and Changes of Materials. This includes to:

- compare and group together everyday materials
- know that some materials will dissolve in liquid to form a solution,
- use knowledge of solids, liquids and gases to decide how mixtures might be separated.

Creative Arts

Focus will be to find out about African dance and culture
In addition our artist focus will be *Georges Seurat*

Our value this half term is:
Leadership
