

Monday 22nd October 2018

Dear Parents/Carers,

It has come to the attention of several members of staff that children are discussing or acting out scenes from video games which are not age appropriate. As I'm sure you're aware, games come with an age rating of either 3, 7, 12, 16, 18 or 'Parental Guidance Recommended' (which is used for certain apps). Games such as Fortnite (12) and Roblox (7) may not be suitable for your child, either due to the content of the game itself or the ability to talk online to other players. We'd like to take this opportunity to remind you to check what it is your children are accessing online or on games consoles to ensure they are not seeing or hearing things which they shouldn't.

We will be running an internet safety session at 2.30 on Friday 23rd November and would like to invite any parents/carers who would like any further advice to come along.

If you would like to attend, please fill in the attached slip and return it to the office.

Thank you,
Mr Bertuello.

.....
Name of child _____

Year _____

I will be attending the internet safety workshop at 2.30 on Friday 23rd November.

Name: _____.
