Dear Parents/Carers

Change to morning routine **Come and join your child in class!**

The reception children have now nearly completed their first half term with us at Tiverton Academy. It has been a joy to work with them and watch them grow in confidence and settle into school life.

We really value the input that parents and carers can have on their child's development and see our work here as a partnership between home and school. We would therefore like to change the morning routine to give you an opportunity to see what the children are doing in class and involve you further in your child's education.

As from Monday 5th November, when you bring your child to school, you will be able to spend some time in class on Monday, Tuesday and Wednesday mornings. The classroom will be set up with various activities that you can join in with alongside your child such as practicing name writing, counting, reading, playing games etc.

The classroom will be open to parents from **8.45am until 9.05am**. We fully understand that some parents are unable to spare this time due to other commitments and your children will be supported by staff.

When parents have joined children in the nursery in this way the children have really enjoyed it, they love sharing their learning with you and we definitely value your support.

We look forward to seeing you in reception on Monday 5th November, have an enjoyable half term.

Yours sincerely,

Tracey Dunn
