

Monday 1st April, 2019

Dear parents/carers,

Pupils from each year group are invited to take part in the 'egg challenge' this Easter.

Every year we are impressed with the amount of creative designs that have adorned our school hall and we want to continue to see even more wacky creations this year.

Your egg can be decorated any way you wish - it may be a patterned egg or an animal theme, famous pop star, sporting hero, or your favourite character etc.

Please ensure that your egg is hardboiled, you may wish to blow the egg out before you start creating your masterpieces.

Bring your finished egg to school by **Thursday 11th April** with your full name and class; ready for the judges to vote on that day.

All eggs will be on display in the school hall and judges will decide on a winner from each class by the end of the day.

We look forward to seeing all your fantastic designs.

Good luck.

Tiverton Academy.
