Wednesday 15th March 2023

Dear Parent/Carer,

Year 3 and Y4 'Stan's Cafe Explorers and Adventurers Morning'

This term, **Years 3 and 4** have had the incredible opportunity to work with Jack from the theatre group **Stan's Cafe**. He has taught us all sorts of ways to be an explorer and we have learned about adventurers past and present, from all around the world.

We would love it if you could join us on the **morning of Friday 24th March 2023** to celebrate everything we've learned. You will be able to wait in the school hall after dropping your child at school and then walk with us to the park on Raddlebarn Road. We will be launching rockets designed by each class and hiding our very own geocache, containing objects and messages for explorers made by each child.

Your child will need to **arrive at school at the normal time** on this day **and be in school uniform**. We will return to school by around 11:30a.m. This invitation is open to all family members.

Please ensure your child has a warm, waterproof coat with a hood as we will be outside for most of the morning.

We really hope you are able to join us.

Many thanks for your support.

Miss Wyatt and Miss Chamberlain

'One School Many Talents'
